### MARABELLA RESTAURANT & PIZZA

History Begins in Italy, in the Region of Sicily

In 2006, Massimo & Salvatore opened "Marabella Italian Restaurant" in Washington, North Carolina. Marabella Restaurant has acquired over 75 years of Italian family tradition in baking & culinary from three generations. Our Italian dishes are made from century old recipes handed down from our family throughout the years.

All of our food is prepared daily. We make fresh dough, sauces, mozzarella cheese, pasta & our delicious meatballs on the premises in all of our locations.

All of our Marabella stores were opened by Nino Passalacqua, the founder of Marabella & all the restaurants are run by family members where everything is run "Nino's Way"...

*With Quality Food, Personality & Love.*
